Remarks

Applicant respectfully elects the species of human OGP from claim 3 for further consideration and examination at this time. Claims 3 and 7 are amended. Claim 11 is added and is supported for example in original claims 3 and 7. No new matter has been added. Claims 1-10 read on the elected species. Applicants respectfully request reinstatement of the remaining species, including the withdrawn species of claim 11, should the generic claim be found allowable.

In view of the above amendments and remarks, Applicants respectfully request an early and favorable action in this application. If any questions arise regarding this communication, the Examiner is invited to contact Applicants' representative at the number listed below.
